NOVUS

Because of a significant lack of insurance coverage, patients that require cannabis (medical marijuana) or CBD to treat a variety of serious medical conditions are left without any financial assistance for their treatments. The Novus plan is a revolutionary approach to reducing healthcare costs within the wellness industry, with a concentrated focus in the cannabis (medical marijuana) & CBD patients. Individuals and their families can save money on the cost of the healthcare related products and services which are not covered by standard healthcare program or allowed as Health care costs for deductions.

Novus complements existing medical insurance policies; filling gaps traditional policies do not provide benefits or discounts. Unlike most insurance, you have no copays, no deductibles and *everyone regardless of pre-existing conditions can use the Novus network.

Plans start at \$26.95 per month, you get access to over 1,000's products and services in Novus' provider network.

Solutions for the Industry
